

CHOLERA IN YALE!

This dread disease has reached the United States and is on its way to Yale. Now is the time to guard against it. You can do this most effectively by disinfecting your out buildings and wherever any stench arises. We have just received a carload of

CHLORIDE OF LIME

and are selling it dirt cheap. Don't delay in cleansing your premises.

Bear in mind we are headquarters for Pure Drugs.

We've Spotted You!

That's what scores of persons are exclaiming when they see our line of Fall Overcoats. Some people have a wonderful knack of running against a good thing and spotting it on sight—they make a fly catch every time. If you would not miss an opportunity, you must be quick and supple; a good thing is the swiftest kind of a ball, and to be sure of not missing it, you must get in range before it passes. These \$12 overcoats are going like smoke; come while there are still some left, or you will be left too, and only have a chance to spot what isn't there. It isn't possible to touch these goods elsewhere, either in price or in quality.

Mrs. Taylor is selling underwear very cheap. She also has a line of very fine chenille curtains.

The frame for the butter and cheese building is up and workmen are busy putting the roof on.

M. S. Palmer Chamberlain who has been quite ill for some time, passed peacefully away this (Friday) morning.

Married in Yale on Wednesday, Oct. 26, 1892, by Rev. L. Clark, George A. Emery of Elk, and Lottie Fox, of Wales.

Regular communication of Brockway Lodge, No. 316, F. & A. M. at the hall Thursday evening, Nov. 3. Work on the E. A. degree.

Reid & Mosher are now located in their new and elegant brick livery barn and when it is entirely complete, their quarters will be roomy and comfortable to say the least.

People call it backache and do nothing for it until the doctor is called and he pronounces it rheumatism. If they had used Salvation Oil in time the doctor's bill could have been saved.

DRESSMAKING.—I have fitted up the rooms over Grant Holden and Bros. drug store and am prepared to do dressmaking in the latest style for all who may give me a call. Kate Hayes.

A pleasant surprise was given Olive Morrill at her home Wednesday evening by her young friends of Yale. She was presented with an elegant jewel case in token of their love and esteem. The family expect to move to the northern part of the state where Mr. Morrill has a large lumber contract.

It was noticed by those who heard Gov. Winans last Tuesday that while he discussed State expenditures he made no reference whatever to taxation. While the State tax this year is much larger than it was the corresponding year of Gov. Luce's administration, he made no attempt to explain the reason for it.

The body of Michael Dunn, who so recently died of poison, was disinterred a few days ago by the order of his sisters, and taken to Stratford, Ont., to be laid beside that of his mother. For all the terrible habit that this man had fallen into of drinking, it is said of him that he took a good son's care of his mother until her death. Mr. Gough found the body in a state of good preservation which reflects credit upon his skill in his business as undertaker.

Miss Franc Baker will speak on the subject of "Foreign Missions" at the M. E. church Friday eve. of this week. She comes highly commended and no doubt a treat is in store for those who attend.

Geo. W. Bell, auctioneer, will sell for the undersigned at his premises 2 miles south and 1 mile east of Yale, on Saturday, Nov. 12, 1892, commencing at 1 o'clock P. M., a quantity of farm stock, implements, etc. Herman Brown.

Whooping-cough, croup, sore-throat, influenza, bronchitis, cold, and cough are at once relieved and positively and permanently cured by Dr. Bull's Cough Syrup, the incomparable remedy for all pulmonary and throat affections.

STRAYED.—Came to the enclosure of the undersigned in the township of Brockway on or about August 1st, 1892, three spring calves. The owner can have the same by calling, proving property, paying charges and taking away. 25-4 Nicholas Hayes, Brockway.

Married, at the residence of the bride's parents in Lynn, on Monday, Oct. 24, 1892, by Rev. W. F. Perkins, Stanley Bonney and Sophia Hall. The happy couple took the train for northern Michigan where they will make their future home. May success be with them.

A good advertisement in a newspaper pays no fare on railroads; gives away no boxes of cigars to customers and merino dresses to customers' wives; drinks no whiskey under the head of travelling expenses, but goes at once and all the time about its business free of expense and makes permanent trade.

The races last Thursday afternoon were well attended and quite interesting. The matched running race between "Lady Richards", of Lexington, and "Flora Belle", of Alma, was won by the latter. A test of speed was made between "Chepocket", and "Nettie B.", the latter horse winning three in five heats. In a green running race for a shake purse of \$8, "Little Harry" won.

The First Annual Ball which Yale Fire Co. No. 1 gave in Michaels' hall Friday evening, Oct. 21st, was a very pleasant affair, a success socially and financially. Lawrence's orchestra from Port Huron furnished the most inspiring music and kept the dancers on the floor until a late hour. An early supper was served the older people, while the younger portion feasted later. The refreshments were elegant and abundant. Seventy-three numbers were sold and the hall was well filled.

Died at Pontiac, Oct. 18th, 1892, Jas. Hanna, aged 40 years and 8 months. He was born in Adelaide, Canada, and came with his parents to Michigan in 1857. For the past twenty years he has spent the most of his life in lumbering. Two years ago his health failed and up to the time of his death he was a great sufferer but bore his pain with great patience and fortitude. His remains were brought to Brockway for burial. The funeral was largely attended at the Methodist church Friday at 10 o'clock. He leaves an aged mother, four sisters and two brothers to mourn his loss.

Dr. Mitchell says that nine-tenths of all the cases of deafness or partial deafness is caused by catarrh of the nose and throat, the inflammatory condition following up and along the eustachian tube, causing chronic atitis media and consequently thickening of the drum membrane. As a sign that disease is extending to the ear there will be occasional buzzing, roaring and snapping in the ears. The ear is not the only organ affected by the nasal catarrh, but the eye, lungs and stomach are each more or less likely to become affected thereby. Too, there are many cases of asthma that are entirely due to the thickened condition of the mucus membrane of the nose and throat, produced by catarrh. The catarrhal affections of the nose and throat can be successfully treated and in doing this the cause of the ear trouble is removed and then with a little proper treatment for the ears, the hearing can be cured or at least very materially improved. We are pleased to learn that the Dr. makes a specialty of this class of diseases.

LOCALS.

Quite a number of the boys attended the races Thursday last.

John Springer was absent Monday afternoon on account of sickness.

John Doelle was absent Monday. You should try to come more regularly.

Nettie Armitage, of Zien, visited in Miss Armitage's room one afternoon last week.

Emma Richardson and Mertie Kelly called at the school house Monday afternoon.

Jennie Bartle was absent a part of last week on account of the sickness of her mother.

Mrs. Drummond has three new pupils, Levi White, Charlie Alward and Jay Weymouth.

The Teachers' Association held in the High room last Saturday was largely attended, and a very enjoyable time was had. The paper read by Mr. Black on School Discipline excited much interest.

About half past one on Tuesday the scholars congregated in Mrs. Drummond's room and had the pleasure of listening to a short address by Governor Winans. This is quite an event as it is not every day a governor comes to Yale. Mr. Winans was accompanied by Mr. Ferguson, Mr. Emery, and Mr. Lutz, and the band. After the speech in which Mr. Winans expressed his opinion that Michigan is ahead in educational advantages of any other state, the band favored us with a choice selection and departed, leaving us to resume our studies.

The Columbus Day exercises last Friday forenoon were a success. At about ten o'clock the scholars marched from their respective rooms and took their position around the flag staff. A color guard of the following pupils from Miss Armitage's room marched to the end of the walk to meet the veterans: Polly Williams, Laura Gilbert, Dora Bonnard, John Doelle, Charlie Stewart and Thomas Hoskin. Miss Armitage then read the proclamation after which Mr. Tappan made a short speech. The flag was then raised by veterans and cheers and salute given by all. Prayer by Rev. Perkins and a recitation by Eddie Palmer followed. Music was given by the school and the crowd dispersed. The pupils then returned to their respective rooms from which they were dismissed to enjoy a holiday.

QUOTATIONS.

And spite of pride in erring reason's spite,
One truth is clear—Whatever is, is right.

Hope springs eternal in the human breast;
Man never is but always to be blest.

The gay will laugh when thou art gone, the solemn brood of care.

And each one as before will chase
His favorite phantom; yet all these shall leave
Their mirth and their employments, and shall come
And make their bed with thee.

QUESTIONS.

a What benighted king burned himself with his palace?
b What city was captured by changing the course of a river?
c What statute was reported to sing at sunrise?
d What king had a servant remind him three times a day of a proposed vengeance.

ANSWERS TO QUESTIONS.

a Pisistratus.
b Assyrians.
c Tyre.
d Thotmes.

Another Falsehood.

In a recent issue of the Democrat the editor takes occasion to say that only two generals on the Northern side in the last war were republicans. Think for a moment of the extreme untruthfulness of such a statement! In an army having commissioned generals up into the hundreds only two republicans! This illustrates the methods pursued by the said editor. With no regard for truth he makes many statements every week at variance with facts. He has "sold his birthright for a mess of pottage", or else he has "gone daft" politically.

A Contractor's Advice.

Messrs. Dullam Bros.: Gentlemen—I take great pleasure in testifying in behalf of Dullam's Great German Blood, Liver, Stomach and Kidney Cure. I can safely say that I never took such a medicine as that to cleanse the liver, stomach and kidneys. I was suffering for years with biliousness, indigestion, and loss of appetite and sleep. One bottle did for me more good than six months other treatment, and I feel it my duty to testify in its behalf so others may try it and get cured. Yours, WARREN E. RUSSELL, Contractor and builder, Flint, Mich. For sale by Grant Holden & Bro., druggists.
